(CONSULTING SERVICES – FIRMS SELECTION)**

Assignment Title: Obtain services of a consultancy firm to revamp e-BMD system.

Assignment Number: ICTA-SG2-GOSL-CON-QBS-2017-001

Information and Communication Technology Agency of Sri Lanka (ICTA) is the apex government agency for Information and Communication Technology (ICT) in Sri Lanka which has been mandated to take all necessary measures to implement the Government's Policy and Action Plan in relation to ICT.

Registrar General's Department (RGD) which operates under Ministry of Home Affairs was initially established in 1864 and registration of Births, Marriages and Deaths (BMD) of Sri Lankan populace was started in 1867.

RGD with technical assistance of ICTA of Sri Lanka developed e-BMD system since BMD Certificates are critical and essential for all important aspects in life such as education and employment. Specially, when a relief effort is required to be carried out after a disaster, the need to have a robust, secured and centralized consolidated citizen information system is essential. Fundamentally, e-BMD system increase the efficiency and effectiveness of storage and reissuance process of BMD certificates at Divisional Secretariat (DS) offices.

In order to increase functionality, operability, performance, security, maintainability and various other factors of the e-BMD system, RGD and ICTA have decided on the necessity of developing a new web based solution. Thus, a system which would enable the smooth functioning of services offered through the existing features of the application as well as enable the department's vision of providing a superior service through new features identified is desired.

Total duration of the assignment given for the consultant/ Software development firm comprise of time for requirements elicitation from various sources, design, development and final deployment including periodic user training and demonstrations.

The **Consultant Procurement Committee** on behalf of the ICTA invites eligible consulting firms to express their interest in providing their services described herein. Interested consultants must provide information indicating that they are qualified to perform the services (Brochures, description of similar assignments, experience in similar conditions and availability of appropriate skills amongst staff).

The consultant will be selected based on **Quality Based Selection (QBS)** in accordance with the guidelines of the Government of Sri Lanka.

Consulting firms may associate with other firms in the form of a joint venture or sub consultant to enhance their qualifications. Participation of sub consultant more than one Request for Expression of Interest (REOI) is not permitted under this consultancy.

The **"Scope of Services"** and the **"EOI Information Form"** is now available at ICTA and interested parties may download these documents from the website <https://www.icta.lk/procurement/>
