## About company

Welcome to bright, comfortable and safe KOMPOZIT® world

### EXPERIENCE

The company has been operating in the market for over 20 years. Within this time we have developed a strong distribution network in 22 cities of Ukraine. We have earned the trust and recognition of Ukrainian and European partners and consumers. The company is among the top ten most famous varnish-and-paint brands of Ukraine.

### QUALITY

Production technology and formulations of our products are developed based on research of the own laboratory as well as active technical support of such global giants as Dow Chemical company, BASF, DuPont. Our arsenal comprises advanced technology, modern laboratory and production equipment, practical tests. We are constantly monitoring innovations in the market of raw materials as well as advancement in coatings technology.

### RANGE OF PRODUCTS

Today Kompozit® TM offers a wide range of modern coating materials for an integrated solution of many problems not only in Ukraine but also in Europe.

### SOCIAL RESPONSIBILITY

Kompozit® is socially responsible company. That's why all TM Kompozit® production is safe for human health and the environment and accompanied by hygienic conclusions of Ukrainian Ministry of Health and detailed technical documentation.

Kompozit® TM is actively involved in the activity of Ukrainian Paints and Coatings Association (UPCA) and the Technical Committee (TC 168 "Paints and varnishes") for implementation of international standards for quality of coating materials and regulations restricting emissions of hazardous substances in Ukraine, as well as in the exhibitions and conferences dedicated to construction issues, conducts training seminars for sales representatives and customers of our products, organizes vibrant social and public undertakings on various subjects.
